

## Customized Label Printing Services

Technicon has been one of the pioneers in offering end-to-end automation solutions in the areas of Barcode/ RFID/ GPS technologies to clients in India and abroad.

We have also been offering Customized Printing Services for Barcode Labels, Price Tickets and other consumables for exporters, buying houses & product manufacturers in India and abroad.

We are the Authorized Print Shop in India for a Swedish Multinational Company that outsources merchandise from India and the neighbouring countries. We supply the entire range of their Price Tickets and other related labels to their suppliers in India.

We offer the entire range of consumables including the wash care types, taffeta etc.

We have a dedicated state-of-the-art set-up for printing services (Job Works), that presently has an installed capacity to print a whopping 60 Million pieces in a year.

And, our set-up and operations are easily scalable too.

Leave your label printing worries to us, while you focus on your core business.

We are also the authorized distributors for various barcode hardware systems like Thermal Transfer Printers, Scanners, etc., for different applications.

Please visit our website [www.technicon.in](http://www.technicon.in) to know more about us.

Contact us today to know how we can be of value to your business.
